### What is Scotch Doubles?

In Scotch Doubles, bowlers alternate shots, (not frames).

Bowler 1 throws the first shot in the first frame. If Bowler 1 strikes, the first frame is complete and Bowler 2 starts the second frame.

If Bowler 1 doesn't strike, Bowler 2 must shoot the spare.

Bowler 1 would then throw the first shot again in the second frame.

No bowler will throw two consecutive balls during the game.
